PEOPLE WHO SAY
"I'LL GET TO IT TOMORROW"
DON'T GET TO COME IN TOMORROW.
▶ We work to get you an answer on each and every loan the day it's submitted. That's just one of the simple yet innovative ways we're changing the mortgage industry. At Argent Mortgage we believe that to succeed, we need to work harder than everyone else. Smarter than everyone else. And unfortunately for our people, sometimes later than everyone else.
